The Trust's objectives are to promote nature conservation, facilitate public access and provide opportunities for education, physical recreation, health and wellbeing and general charitable purposes. All the unenclosed farmland is subject to a right of public access on foot, and there are many public rights of way and other points of interest. The Trust will strive to offer new tenancy opportunities to those with values that reflect the objectives and ambitions of the Trust and will work with tenants to develop high nature value farming systems as a means of delivering our objectives.

- Have a unique chance to play a part in this iconic mid-Wales landscape

Of particular importance to the Elan Valley Trust is an approach to farming that benefits nature and the landscape and we are seeking a tenant who is:

- An enthusiastic team player - committed to working in partnership with neighbours and landlord
- Willing to try new approaches and techniques
- Innovative, with a positive approach
- Mindful of the Elan Valley Trust's charitable objectives

The holding is being offered for let with effect from 29th September 2026 as a Farm Business Tenancy (FBT) under the provisions of the Agricultural Tenancies Act 1995. Terms to be agreed between the parties with specific terms to be agreed. The agreement will include a break clause operational every five years.

Livestock

Mixed grazing is desirable for conservation grazing. The Landlord has a flock in the region of 80 whitefaced mountain sheep depasturing the holding presently, of which 15 are hogs. This flock is available to split between the Landlords retained hefted flock and an ingoing tenant flock, the split to be agreed between the parties.

The Landlord will retain a hefted flock throughout the term of the tenancy, the Tenant shall hire and use the Landlords' flock during the tenancy. The terms and conditions for this can be found within the standard forms of tenancy agreement available from the Estate Office. The tenant would have the opportunity of purchasing the remaining flock as an in-going at commencement of the tenancy agreement.

Flock numbers can be adjusted during the term of the tenancy with prior approval from the Landlord. The maximum number of livestock at the holding can be discussed with Elan Valley Trust considering the need to graze the land appropriately and introduce other grazers if desired.
